Dear 

Reference is made to your letter S-117 dated 23 December 1959 requesting security clearances for the following personnel:

25X1A5a1

In view of the large number of clearances now in process for your company, it is requested that you submit on these and any future requests complete justification for their use. This justification will then be reviewed with the appropriate personnel. Clearances will not be initiated until this justification is received.

Also, it is requested that in all future requests you indicate the program or programs involved and the desired category of briefing. If you have any questions, don't hesitate to contact me.

Yours truly,

Rod
